SEBI vide its circular dated 25/02/2020 has made it compulsory for the Clients to authenticate its pledge and un-pledge transactions through the Depository. NSDL & CDSL is the associated Depository in case of ACME. Thus, henceforth all pledge and un-pledge transactions will require an additional OTP verification process through the Depository – NSDL/CDSL. Limits against your shares would be provided only if the below process is completed.

Attention Investors:

1. Stock Brokers can accept securities as margin from clients only by way of pledge in the depository system w.e.f. September 1, 2020.
2. Update your mobile number & email Id with your stock broker/depository participant and receive OTP directly from depository on your email id and/or mobile number to create pledge.
3. Pay 20% upfront margin of the transaction value to trade in cash market segment.
4. Investors may please refer to the Exchange's Frequently Asked Questions (FAQs) issued vide notice no. 20200731-7 dated July 31, 2020 and 20200831-45 dated August 31, 2020 and other guidelines issued from time to time in this regard.
